

State Health Resource Centre, Chhattisgarh

Recruitment for the post of Senior Programme Coordinator (Systems and Operations Research)

No. of post-1

About the State Health Resource Centre: The SHRC is an autonomous institution (Society) set-up in year 2002 as a Technical Support Agency for the Department of Health and Family Welfare, Chhattisgarh. SHRC has a staff-strength of 50+ professionals who provide technical advice to Government on a number of Health Sector Reform initiatives and coordinate the Mitani Programme, one of the most successful Community Health Worker programmes in the country.

About the post: The SHRC is looking for a self-driven person with proven leadership qualities to head its Systems and Operational Research Division which undertakes operational research projects, evaluations / assessments and also works for developing systems reform proposals for the consideration of the Government. The key responsibilities of the incumbent will include the following:

- Developing ideas for testing through operational research
- Developing policy / situational analysis papers on identified public health domains and identifying measures for policy and operational reforms
- Designing framework for evaluation / assessment, including instruments for field work
- Providing technical guidance to “Interns” joining the organization from time to time
- Any other task that may be assigned from time to time

The incumbent will report to the Executive Director and will be supervising the work of a team of about 8-10 professionals at SHRC headquarters at Raipur. However, the work may involve frequent visits to the districts.

Eligibility and qualifications

- MBBS with MD in Community Medicine / Preventive and Social Medicine OR MBBS with Post Graduate qualification in public health OR Graduate in any discipline with PG qualification in Public Health / Health Administration / Health Management. Candidates with MD in Community Medicine / PSM will be given preference.
- At least 7 years' work experience, preferably in undertaking / guiding operational research and/or evaluation / assessment.
- Proficiency in English and Hindi languages
- Well versed with computer applications

Age: Preferably below 50 years of age

Salary: Salary will be in the range of Rs 40 – 100,000 per month, commensurate with qualification, experience and last pay drawn.

Last Date: 20th May 2013

Application must be submitted in the prescribed format available at: www.shsrc.org, may be emailed to shrchr@gmail.com

Only short listed candidates will be contacted for written test / interview
