

Executive Post Graduate Programme in Management (EPGP), 2014-15

Admission Procedure

The EPGP admission process starts with the submission of online application form. There is no need for submitting hard copy. The basic criteria for the programme include

- graduation in any discipline with 50% aggregate,
- minimum of 5 years and maximum 15 years of work experience after completion of graduation,
- a Valid GMAT score i.e 5 years (between September 01, 2008 and 31 August 2013),
- a Statement of Purpose (SOP) that enables the students to highlight their future goals and achievements and
- Two reference letters, preferably one from the current employer or from an individual who is in a position to evaluate job performance.

GMAT code for IIMB EPGP is Q9H-KK-84.

After the applications are submitted, an IIMB faculty committee reviews all applications along with Statement of Purpose and shortlists candidates based on various criteria. Short listed candidates will be called for Personal interview. The interview panel will consist of two faculty members of IIMB and an IIMB alumnus. The interview panel will evaluate each candidate's performance, on the basis of quality of experience/ diversity, leadership qualities, social sensitivities, multi-facetedness and extraordinary achievements. A multi- factor admission model is used for EPGP admissions. These factors include academic track record, GMAT scores, quality of experience and performance in the interview. A composite total score will be calculated for each applicant using the above multi-factor model,. The offer for Admission offer will be made to a certain percentage (depending on the seat availability and satisfying a minimum cutoff score) of applicants in the merit list based on their composite total score.
